Trace and Color

28 friendly animals to color and spell

Ages 3–6 · 37 pages

Name: _____

Welcome, Parents and Teachers!

Welcome! Meet twenty-eight animals from the farm, the garden and the wild. Your child colors each one, traces its name and writes it again alone. Matching games and word-tracing pages at the end give a gentle review.

How to use this book

- 1** Print on A4 or US Letter paper at 100% (Actual size). Crayons, colored pencils and washable markers all work well.
- 2** Make the animal sound together before you write the word. It builds vocabulary and makes the page memorable.
- 3** Talk about where each animal lives: farm, garden, jungle, ocean. The sections group animals to make this easy.
- 4** One animal per day is a lovely habit; two or three in a sitting is plenty for older children.
- 5** Older children can write a sentence about their favorite animal on the back of a page.
