

CVC Words Workbook

Ages 4–6 · 32 pages

Name: _____

Welcome, Parents and Teachers!

Welcome! CVC words (consonant, vowel, consonant) like cat, pen, pig, dog and sun are the first words most children learn to read. This workbook takes one short vowel at a time: color and trace the words, build them with sound boxes, trace short sentences and read a word list.

How to use this book

- 1** Print on A4 or US Letter paper at 100% (Actual size). Use a pencil for writing and crayons for the pictures.
- 2** Say the word slowly and stretch the sounds: "c-a-t". Then say the sounds quickly together to blend the word.
- 3** On the sound-box pages, write one sound per box: c, a, t. Tap each box as you say its sound before writing the whole word.
- 4** Work on one vowel at a time and move on when your child can read the list without help.
- 5** Finish with the review pages to mix all five vowels and check that the sounds are staying separate.
